

**Additional Information to the Routine Disclosure:  
Assessment and actions by Heads of Agency of  
current and former State Service employees referred to  
in the Commission of Inquiry report.**

**As at: 20 July 2024**

The following additional information is provided to support the Routine Disclosure data published on 20 July 2024.

Of the 22 employees identified by Heads of Agencies as alleged perpetrators (as previously reported last month):	
Deceased	1
Convicted of criminal charges, which is a matter of public record	2
Terminated through an ED5 process	4
Resigned prior to an ED5 commencing	8
Active ED5 processes underway noting that these employees are suspended	4
Returned to duty following conclusion of ED5 processes	3
Of the total of 22 matters, 4 remain subject to active ED5 processes. All 22 matters have been referred to police and all relevant regulatory authorities.	

Of the 42 non-perpetrator employees identified for assessment by Heads of Agencies:	
Deceased	2
Current employees with active ED5 processes underway	3
Resigned prior to, or during an ED5 process	13
Current and former employees still under assessment	9
Found to have breached the State Service Code of Conduct and received a sanction other than termination	1
Assessed resulting in no further action	14
Of the total of 42 matters, 3 current employees remain subject to active ED5 processes, and 9 assessments are due to be completed.	

Of the 6 current or former employees identified by the Commissioner of Police:

Deceased	1
Current or former employees found to have breached the Code of Conduct under the Police Service Act 2003 and received sanctions other than termination	3
Current or former employees assessed as requiring no further action or referral to Professional Standards	2
