How can the target community continue to support or maintain the project's results?

(dot points please)

- All participants have displayed an interest to continue to participate in art of some form.
- Relationship developed during the project history will continue long after the group.

In 50 words or less.....

Do you have any suggestions about how the Grants Program can improve to better benefit the community?

(dot points please)

- When funding a community based program, partial funding creates a restructure of projects. This impacts the overall aim of the project and the ability to meet objectives.

We would:

be interested

not be interested

in receiving information on how we can participate in an organised event that publicised the benefits of Community Support Levy Projects.
